Dear HR Manager,

I am writing to apply for the Intern position. I have more than 10 years of experience in marketing, 4 years of them were in IT positions, and my professional expertise aligns closely with the responsibilities outlined in your job advertisement.

In my role as Advertising Operations Manager for an IT company, I proved to be an efficient, enthusiastic and strong member of the team. My value quickly became apparent to CMO after I prepared reports each month carefully and improved advertisements with appropriate knowledge. For 7 years I used SAP as an economist for a Motor Sich company.

FSG company would benefit from my skills in the following area:

- Eye for excellence and high level of standards
- Strong work ethic and careful skills
- Positive attitude even under pressure

I believe that my extensive expertise, experience and professional skills will help ensure your establishment succeeds well into the future. And I sincerely hope I can contribute soon as a member of your team.

It would be a privilege to discuss your Intern position in more detail. I am happy to come by whenever it's most convenient for you. Thank you for your time, and I am looking forward to hearing from you.

Sincerely,
Kateryna Shchuka
